Management of the Trigger Finger: A New Approach.

New York Hand Symposium, Dr. Beasley, September 1988.

46. *A Study of the Zone I Flexor Tendon Injury and Implications for Treatment"*

Florida Hand Society Meeting. May 1989

47. Chairman and Speaker of Hand Symposiums, Florida Occupational Therapy

Association, Melbourne, FL. August 1989.

Lectures:

*Clinical Evaluation of the Hand,
Clinical Evaluation of Pathology of the Upper Extremity
Management of Flexor and Extensor Tendon Injuries.*

48. *A Study of the Zone I Flexor Tendon Injury and Implications of Treatment*, Twelfth Annual Scientific Session of A.S.H.T.: Seattle, Washington, September 1989. *Awarded Petzoldt Prize for innovations in hand therapy and original research.

49. Instructor for Hand Therapy Certification Commission. Certification (one of six instructors chosen to provide preparatory lectures for 1st Hand Therapy Cert. Exam) lecture series includes:

(a) *Clinical Evaluation of the Hand (includes topography, clinical evaluation of systems, clinical identification of pathology).*

(b) *wound healing, physiology and management.*

(c) *connective tissue (the physiology and management of the healing tendon, ligament, and cartilage).*

Baltimore, November **1989**

Atlanta, January **1990**

Los Angeles, April **1990**

St. Louis, May **1990**

Dallas, January **1991**

Boston, February **1991**

50. *Progressive Management Techniques for Flexor and Extensor Tendon Injuries and*

Moderator and panelist: *Controversies in the Management of Tendon Injuries* with Jimmy Chow, M.D., Linwood Thomas, OTR, Richard Brown, M.D., Symposium: *Difficult Problems in Hand Rehabilitation*. American Society for Surgery of Hand, Phoenix, Arizona, November 9, 1990.

51. Lectures:

Management of Wound Healing Problems

Management of the Profundus Injury

Advanced Techniques for the Extensors

Panels:

Flexor Tendons

Wound Healing

Extensor Tendons

Symposium: *Surgery and Rehabilitation of the Hand*, Philadelphia, March 1991.

52. *Therapeutic Management of the Healing Tendon*. Florida Physical Therapy Association. Orlando, Florida - March 27, 1991

53. *Early Active Controlled Motion for Connective Tissue Injury at the Dorsal*

Proximal Interphalangeal Level. Florida Hand Society. Key Biscayne, Florida April 26-27, 1991.

54. *Oral Critique in scientific session.* Mobilization of Flexor Tendon Repairs Utilizing Double Loop Locking Technique. Scientific Session, Annual Meeting, ASHT. Orlando, Florida - September 1991.

55. Moderator and presenter: *Advanced Management Techniques for the Extensor System.* Panel ASHT Annual Meeting. Orlando, Florida - September 1991.

56. *Postoperative Management of the Zone I Flexor Tendon Injury* University of Miami Orthopaedic Symposium. Miami, Florida - October 26, 1991.
